Description of Works of diversion, manner and place of use and (use)
This spring consists of a small seep area located in a wash with lush vegetation. The spring has not been developed and no diversion works exist. Water from the spring flows into the wash. The water is used as drinking water for fluctuating number of game and non-game animals and for recreational purposes. The place of use is in Section 1, T. 21S., R. 58E., M.D.B.&M.

*This certificate changes point of diversion and manner of use of Proof 01051, hence the date of priority remains the same as Proof 01051 with the understanding that it is issued subject to any future determination of Proof 01051. This certificate is issued subject to the terms of the Permit.

The right to water hereby determined is limited to the amount which can be beneficially used, not to exceed the amount above specified, and the use is restricted to the place and for the purposes set forth herein.
